

iGUIDE

FEATURES & BENEFITS

iGUIDE™ is a searchable database of regulatory and compliance guidelines for Lenders, Appraisers and Appraisal Management Companies.

Included in this database are regulations, policies and guidelines regarding:

Fannie Mae

Freddie Mac

Veteran's Administration

Federal Housing Administration

FIRREA Title II

Financial Regulatory Reform, Title XIV

Lenders and Appraisal Management Companies may also include their internal guidelines to be easily disseminated to the appraisal community.

- Easy navigation
- Keyword searches
- Indexed
- Aggregated

A database of appraisal "road rules" collected in one place and searchable by keyword. Add simplicity to an increasingly complex set of overlapping rules, regulations, guidelines and policies. Compliance, by all stakeholders, is becoming increasingly challenging.

Be Informed. Manage Risk. Be Proactive.
